Federal Emergency Management Agency

Washington, D.C. 20472

092812

IN REPLY REFER TO:

The Honorable Ramón Valadez
Chairman, Pima County Board of Supervisors
130 West Congress
Tucson, Arizona 85701

Case Number: 11-09-1817V
Community: Pima County, Arizona
Community No.: 040073
Effective Date: September 29, 2012
Revised FIRM Panel No[s]: 1720M, 1740M, 2306M, 2307M
REVALIDATION 2

Dear Mr. Valadez

When a new National Flood Insurance Program (NFIP) map panel becomes effective, it automatically supersedes previously issued Letter of Map Change (LOMC) actions (i.e., Letters of Map Revision-based on Fill [LOMR-Fs] and Letters of Map Amendment [LOMAs]) that have been issued on that map panel, even if they are still valid and should apply to the new NFIP map as well. Because a revised NFIP map has been prepared for your community, it is necessary for the Federal Emergency Management Agency (FEMA) to take administrative action to prevent valid LOMR-Fs and LOMAs from being superseded. Accordingly, the purpose of this letter is to revalidate the determinations for properties and/or structures in your community as described in the LOMR-Fs and LOMAs previously issued by FEMA on the dates listed below. As of the above-referenced effective date, these LOMR-Fs and LOMAs will revise the effective NFIP map for the referenced community, dated June 16, 2011, and will remain in effect until superseded by a revision to the NFIP map panel on which the property is located. Please be advised, the revalidation letter effective June 17, 2011, case number 07-09-1469V, for Pima County, Arizona has been superseded. All LOMR-Fs and LOMAs from that letter have been reviewed and have been incorporated into this updated revalidation letter if appropriate. Please note all LOMR-Fs and LOMAs with effective dates after June 16, 2011, on non-revised panels for your community, will remain valid until superseded by a revision to the NFIP map panel on which the property is located, such LOMCs therefore are not included in the tables below. The FEMA case numbers, when available, property identifiers, Flood Insurance Rate Map (FIRM) Panel numbers, and current flood insurance zones of the revalidated LOMR-Fs and LOMAs are listed below.

REVALIDATED LETTERS OF MAP CHANGE FOR PIMA COUNTY, AZ
Case No: 11-09-1817V **Community No.: 040073**
September 29, 2012

Because these revalidated LOMR-Fs and LOMAs will not be printed or distributed to primary map users, such as local insurance agents and mortgage lenders, your community will serve as a repository for these new data. We encourage you to disseminate the information reflected by this letter throughout your community so that interested persons, such as property owners, local insurance agents, and mortgage lenders, may benefit from the information.

If you feel a LOMC has been omitted from the list that should have been included, we encourage you to submit the LOMC for re-determination. When requesting a re-determination, we ask that a cover letter be sent along with a copy of the original determination letter to: LOMC Clearinghouse, 7390 Coca Cola Drive, Suite 204, Hanover, Maryland 21076.

If you have any questions regarding this matter, please contact the FEMA Regional Office in Oakland, California at Federal Emergency Management Agency, Region IX, 1111 Broadway, Suite 1200, Oakland, California, 94607-4052, or by telephone at (510) 627-7100. Copies of previously issued LOMR-Fs and LOMAs, if needed, can be obtained by contacting the FEMA Map Information eXchange (FMIX), toll free at (877) 336-2627 (877-FEMA-MAP).

Sincerely,

Luis Rodriguez, P.E., Chief
Engineering Management Branch
Federal Insurance and Mitigation Administration
