Dear Mr. Public:

A recent audit by representatives of the Federal Emergency Management Agency (FEMA) has shown that some Elevation Certificates on file in this office contain errors or omissions. **In the event of a flood, flood insurance benefits, emergency loans and other forms of federal assistance may not be available to home owners who do not have a valid Elevation Certificate on file in our office.** Our records indicate that the Elevation Certificate(s) for your property are among those that need correction.

In order to ensure that all structures in the community have complete and valid Elevation Certificates, the finished floor elevation of your structure must be surveyed. If you already have a **finished construction** Elevation Certificate, please mail the original to our office, (keep a copy for your records). Otherwise, there are two options available:

1. A Registered Land Surveyor hired and paid for by Pima County can complete the work, (at no cost to you). If you choose this option, simply complete the Right-of-Entry form enclosed and return it in the postage paid envelope before July 15, 2005. You do not need to be present for this survey, and surveyors will only take measurements outside the home, in areas readily accessible from the public right-of-way.
2. Hire the Registered Land Surveyor of your choice (at your own cost) to complete a *finished construction* Elevation Certificate. Work must be completed by August 1, 2005. Mail the original Elevation Certificate to our office when completed.

This service is being provided to prevent delays and/or denials of financial protection from damages or losses that might occur on your property in the event of a flood. Your anticipated cooperation is greatly appreciated. If you have questions or concerns regarding this matter, please contact Jean Hudson at 740-6350 to discuss them.

Sincerely,

Chris Cawein, Deputy Director
Pima County Flood Control District

RIGHT OF ENTRY

_____, (the GRANTOR), hereby grants to Pima County Flood Control District, a body politic, (the GRANTEE), its representatives and authorized agents, permission to enter upon the following described land:

This Right of Entry shall be for the purpose of measuring lowest floor elevation (taken from front door threshold).

If the front door is not readily accessible from the public right-of-way (street) by reason of locked gate, fenced yard, enclosure, guard animal or other reason, please indicate here:

_____ front door is not readily accessible; please call the office to schedule an appointment for entry

_____ front door is readily accessible; survey can be conducted without the homeowner present

Grantee shall indemnify, defend and hold harmless Grantor, from any and all present or future claims, demands, causes of action in law or equity resulting from surveying with this Right of Entry.

This permission may be revoked by grantor upon 90 days written notice to Grantee.

IN WITNESS WHEREOF, the undersigned has executed this right of entry on this _____ day of _____, 2000.
