Hi Laura-

Thank you for letting us know that the additional flood vents were installed. Now, you will need to contact the surveyor who completed the Elevation Certificate for you last May to go back to your property to certify the total amount of flood vents so that he can amend the Elevation Certificate here in our office with the new information. (Edgar Reynolds, 884-0292). Once that's done, please come to our office to pick up the permit for the addition; then your property will be in compliance.

Dear Mr. Eric Shepp:

I'm sending you an email as well to notify that vents were shortly made a few weeks later after Ms. Gail and I spoke, my apologies on my misunderstanding.

Gail I'm so sorry I thought I did send you pictures of request you informed me needed. I got vents done right away, when we talked, it must have slipped my mind sending them. I really thought I send you email back when we last talked, I will check emails again. Again sorry!
